The Perfect Blend of Luxury, Lifestyle & Design!

Welcome to this stunning former Sterling Show Home—a contemporary masterpiece offering over 2200 sq.ft. of superior design and craftsmanship. This 5-bedroom, 3.5-bath home is better than new and loaded with upgrades throughout. Step inside to an open-concept main floor featuring a quartz island kitchen with stainless steel appliances, upgraded cabinetry, and a walk-through pantry. The spacious great room with gas fireplace and the large dining area create the perfect setting for entertaining. A main-floor flex room and laundry add to the home's convenience. Upstairs, the massive primary suite boasts a spa-inspired 5-piece ensuite and walk-in closet, while two additional bedrooms and a full bath complete this level. The fully finished lower level offers a large rec room, two more bedrooms, spacious 4 piece bath and an efficient and organized machine room. Step outside and experience your own private paradise! Professionally landscaped with Roman paver walkways, a 16' x 28' saltwater pool, outdoor fireplace, hot tub, and sauna area—this backyard was designed for relaxation and fun! A bright three-season sunroom overlooking the backyard and connecting directly to the kitchen area with floor-to-ceiling full opening windows provides year-round enjoyment! The oversized 29' x 21' insulated and lined garage includes a workshop area, completing this truly exceptional property.
