Designed for gathering, entertaining, and everyday family living, this beautifully maintained 1,532 sqft bungalow offers an exceptional amount of space both inside and out.

The stunning kitchen is truly the heart of the home, featuring a massive island, quartz countertops, extensive cabinetry, built-in appliances, and a dedicated coffee bar with beverage fridge.

The open-concept design flows effortlessly into the spacious dining area and inviting family room, creating the perfect setting for everything from busy mornings to holiday celebrations.

Offering 5 bedrooms, 3 bathrooms, a partially finished lower level with endless potential, and a large fenced backyard with an expansive deck, this home provides the space, comfort, and flexibility today's families are looking for.
